Selected students to the Double Degree program must confirm or refuse the selection within January 29th- 2024, by email: doppielaureeinterne-scdes@polimi.it or management-engineering@polimi.it

The selected student that does not express his/her decision within this date, will be automatically excluded from the Double Degree program.

Eligible but not admitted students will be contacted after 29 January 2024, according to the merit ranking, only if any admitted student drops out.

In the event of a tie, taking into account the gender balance, the minority among the candidates placed higher in the same ranking shall prevail. In the event of a further tie, the candidate with the least seniority shall prevail.

Students applying to the Double Degree may apply for ASP (Alta Scuola Politecnica), the Erasmus + and non- EU international mobility programmes. However, if students are selected for both programmes, they must withdraw from one of them as per the relevant procedures and timeframes.

Any delay in communicating withdrawal from the Double degree programme will seriously affect replacement candidates and cause administrative difficulties.
